

MOUNTAINSIDE SERVICE UNIT
GIRL SCOUTS OF WASHINGTON ROCK COUNCIL

Interested in Girl Scouts?????

If you have a daughter who will be entering kindergarten next year, she is eligible to join Daisy Girl Scouts. This is the first step in the exciting world of Girl Scouts. Mountainside has over 200 girl scouts in grades kindergarten through twelve and she can join them.

Generally, troops meet once or twice a month after school, plus we try to have town-wide activities once a month. The girls have fun while they are learning new things, making friends, and exploring exciting activities. Of course we can only have troops if we have leaders and assistants.

This year we are trying to organize troops early so we can start meeting as soon as school starts. If you think your daughter might be interested in joining, if you would like to learn about being a leader, or if you just want to find out more, please fill out the form and return it to the school or mail it to me.

Hope you join us,
